

COMMUNICATION
OF THE THRID MEETING OF THE CHAMBERS OF AGRICULTURE AND
AGRICULTURAL ORGANISATIONS FROM THE THREE SEAS REGION

2018 July 5, Vilnius

The Chambers of Agriculture of Lithuania, Estonia, Poland, Hungary, the Czech Republic, Slovakia and Croatia, the Bulgarian National Grain Producers Association and the Latvian farmer's Parliament, of behalf of Latvian agricultural organisations, after considering the legal proposals of the European Commission for the multiannual financial framework for 2021-2027 and the future of the Common Agricultural Policy, hereby AGREE:

1. To continue their support for the principles laid down in the Bratislava Declaration, signed on March 31, 2017 and its amendments;
2. To work together to ensure that the Common Agricultural Policy after 2020 aligns with the common interests of the farmers of our countries;
3. To seek to ensure that in cases where the interests of farmers in our countries are different, the final decisions are left to the member states;
4. To recognise that equal rights, equal opportunities and fair competition for farmers should be the fundamental values on which the European Union policies are based;
5. To achieve these goals through common policy activities and campaigns, including the possibility of jointly organizing protest actions at EU level.
